& STAGE

Dear Organizer:

If you want your guests to feel at home, consider holding your event with us. Bird-in-Hand offers everything you need for your group:

- **clean, comfortable accommodations** - from warm country lodging at our Village Inn & Suites to our resort-style hotel, the Bird-in-Hand Family Inn
- **great food** at our Bird-in-Hand Family Restaurant & Smorgasbord featuring traditional Pennsylvania Dutch recipes and more, and our Bird-in-Hand Bakery & Cafe
- **live entertainment** on our Bird-in-Hand Stage, including Broadway-style musicals set in Amish Country and - new this year - an amazing illusionist and a Christmas show

Plus, we're in a convenient location that puts you and your guests close to Sight & Sound Theatres, American Music Theatre, shopping outlets and several other unique destinations. We offer something for everyone of all ages.

Our team truly enjoys working together to serve you and your group - it's what enables us to create such a warm and welcoming experience for your guests. Whether you have a small group for a business meeting or a girls' getaway weekend or a large family reunion, wedding or bus tour, you and your guests can always count on personalized service.

Bird-in-Hand is a great place for your next retreat, reunion, conference or other special event and a perfect stop on your travel itinerary. We can design a package especially for your group, with the flexibility to include lodging, dining at our famous smorgasbord restaurant and live entertainment on our stage. For motorcoach groups, lodging and dining packages can accommodate entertainment at other local theatres, too. Contact us today about group packages and give your guests the Bird-in-Hand experience.
